SORNA Substantial Implementation Review Northern Arapaho & Eastern Shoshone Tribes of the Wind River Indian Reservation

The U.S. Department of Justice, Office of Justice Programs, Office of Sex Offender Sentencing, Monitoring, Apprehending, Registering, and Tracking (SMART) would like to thank the Northern Arapaho Tribe for the extensive work that has gone into its effort to substantially implement Title I of the Adam Walsh Act, the Sex Offender Registration and Notification Act (SORNA), and thank the Eastern Shoshone Tribe for entering a Memorandum of Agreement so that the Wind River SORNA program administered by Northern Arapaho Tribe encompasses the jurisdiction of the Wind River Reservation. The SMART Office has completed its review of Northern Arapaho Tribe's SORNA substantial implementation packet and has found that the Northern Arapaho and the Eastern Shoshone Tribes have substantially implemented SORNA.

On August 1, 2012, the Northern Arapaho Tribe, as the tribe implementing SORNA on behalf of the Northern Arapaho & Eastern Shoshone Tribes of the Wind River Reservation, submitted a substantial implementation package that included several exhibits, including background information on the tribe and its criminal justice system, courts, and police department; policies and procedures regarding sex offender registration, the tribe's sex offender registration law; and other relevant additional documents including memorandum of agreements. They provided forms, exhibits, and a checklist. In addition, email with tribal representatives filled in gaps in laws and procedure.

Our review of these materials follows the outline of the SMART Office Substantial Implementation Checklist-Revised, which contains 14 sections addressing the SORNA requirements. Under each section, we indicate that the Northern Arapaho & Eastern Shoshone Tribes meet the SORNA requirements of that section.
