

U.S. Department of Justice
Office of Justice Programs
Office of Sex Offender Sentencing, Monitoring,
Apprehending, Registering and Tracking

The U.S. Department of Justice (DOJ), Office of Justice Programs (OJP), Office of Sex Offender Sentencing, Monitoring, Apprehending, Registering and Tracking (SMART), is pleased to announce that it is seeking applications for funding under the SMART FY 16 Maintenance and Operation of the Dru Sjodin National Sex Offender Public Website (NSOPW). This program furthers the Department's mission by providing the public immediate access to sex offender registration data from public sex offender registries operated by states, territories, the District of Columbia and certain federally-recognized Indian tribes.

SMART FY 16 Maintenance and Operation of the Dru Sjodin National Sex Offender Public Website

Applications Due: April 7, 2016

Eligibility

Eligible applicants are limited to nonprofit and/or for-profit organizations that have demonstrated significant experience in providing web site development, hosting and management; web services; service-oriented architecture, distributed information sharing systems; and specialized training and technical assistance to the states, tribes and territories participating in SORNA information sharing. For-profit organizations must agree to waive any profits or fees for services.

The SMART Office welcomes applications that involve two or more entities that will carry out the funded Federal award activities; however, one eligible entity must be the applicant and the other(s) must be proposed as subrecipient(s). The applicant must be the entity with primary responsibility for administering the funding and managing the entire SMART FY 16 Maintenance and Operation of the Dru Sjodin National Sex Offender Public Website. Only one application per lead applicant will be considered; however, a subrecipient may be part of multiple proposals.

The SMART Office may elect to make awards for applications submitted under this solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and on the availability of appropriations.

Deadline

Applicants must register with Grants.gov prior to submitting an application. All applications are due to be submitted and in receipt of a successful validation message in Grants.gov by **11:59 p.m. eastern time on April 7, 2016**.

All applicants are encouraged to read this [Important Notice: Applying for Grants in Grants.gov](#).

For additional information, see [How to Apply](#) in Section D. Application and Submission Information.

Contact Information

For technical assistance with submitting an application, contact the Grants.gov Customer Support Hotline at 800-518-4726 or 606-545-5035, or via email to support@grants.gov. The Grants.gov Support Hotline hours of operation are 24 hours a day, 7 days a week, except federal holidays.

Applicants that experience unforeseen Grants.gov technical issues beyond their control that prevent them from submitting their application by the deadline must email the SMART Office contact identified below **within 24 hours after the application deadline** and request approval to submit their application. Additional information on reporting technical issues is found under "Experiencing Unforeseen Grants.gov Technical Issues" in the [How to Apply](#) section.

For assistance with any other requirements of this solicitation, contact Marlon Daley, Grant Management Specialist, by telephone at 202-514-5231, or by email at Marlon.Daley@usdoj.gov.

Grants.gov number assigned to this announcement: SMART-2016-8952

Release date: February, 11, 2016

Maintenance and Operation of the Dru Sjodin National Sex Offender Public Website (CFDA # 16.750)

A. Program Description

Overview

The Office of Sex Offender Sentencing, Monitoring, Apprehending, Registering, and Tracking (SMART) assists jurisdictions with developing and enhancing programs designed to implement the Sex Offender Registration and Notification Act (SORNA) of the Adam Walsh Act (42 U.S.C. § 16901, et seq). The Adam Walsh Act is designed to protect children and adults from sexual exploitation and violent crime, prevent child abuse and child pornography, promote Internet safety, and honor the memory of Adam Walsh and other crime victims. The Dru Sjodin National Sex Offender Public Website (NSOPW) is a critical component of the SMART Office's strategy to provide a comprehensive national sex offender registration and notification system to notify and protect the public from sex offenders.

NSOPW allows law enforcement and the public to search existing state, territory and tribal sex offender registries for public sex offender data. With a single query from any web-capable computer, NSOPW searches state, territory and tribal public sex offender registries to deliver matches. This program is authorized by the Consolidated Appropriations Act, 2016 (Pub. L. No. 114-113).

Program-Specific Information

Over the past two decades, state and local jurisdictions have implemented various strategies and tools aimed at managing sex offenders in the community. The federal government has played a significant role in this area by enacting legislation requiring states, territories and certain tribes to establish sex offender registration and notification programs. A critical component of sex offender registration and notification is the dissemination of sex offender data to the public through the operation of a public website. In 2005, the U.S. Department of Justice recognized the need to provide the public and law enforcement with a single point of access to public sex offender websites. The Adam Walsh Child Protection and Safety Act of 2006 renamed the National Sex Offender Public Registry to the National Sex Offender Public Website and codified that the Attorney General shall maintain the site. NSOPW meets this need by linking public state, territory and tribal sex offender registries to one national search site. The Adam Walsh Act further required that the Department of Justice develop software to allow jurisdictions to track and share information regarding sex offenders. The SORNA Exchange Portal meets this need by maintaining a secure information exchange portal for all SORNA jurisdictions.

Goals, Objectives, and Deliverables

The grantee will conduct the following at a minimum:

- Support all hosting, maintenance, and operation of NSOPW, including hosting a backup site at a separate location. The grantee must comply with all U.S. Department of Justice security requirements.

- Maintain and operate a secure communication system (known as the SORNA Exchange Portal) between SORNA jurisdiction registry managers for the purpose of information sharing. Uses include the ability to send e-mail, a discussion area, chat capabilities, and transfer of files.
- Ensure that NSOPW remains in full compliance with applicable provisions of SORNA and complies with any subsequent legislation that impacts its operation.
- Assist jurisdictions with the implementation of web services used to share data through NSOPW.
- Make changes to NSOPW within 24-hours of a request—without additional costs—as part of the maintenance portion of the project.
- Provide statistics to SMART on the use of NSOPW and the SORNA Exchange Portal on a monthly basis and have the capability to provide specific information within 24-hours' notice.
- Provide auditing and monitoring tools to SORNA registration jurisdictions and to SMART, and participate in auditing and monitoring activities as requested by the SMART Office.
- Provide continuous monitoring of all connections to NSOPW and make contact with the connection site(s) to remedy any malfunctions within a 24-hour period.
- Answer questions sent to the “Webmaster” from the general public and from SORNA jurisdictions or as directed through the SMART office for NSOPW within 24 hours. The technical responses shall be based on the ability to recreate the situation as described in the correspondence. The procedural and policy responses shall be based on communication with the individual jurisdiction or agency involved in the query. On average, NSOPW receives three to five inquiries a day, ranging in complexity and length of response.
- Maintain and operate the Tribe and Territory Sex Offender Registry System (TTSORS). TTSORS is the registry system provided free of charge by the Department of Justice to assist tribes and territories with implementing SORNA registry system requirements. TTSORS management and update access is restricted to only tribe and territory agencies responsible for the management and registration of sex offenders. TTSORS serves two purposes, which is to function as an administrative registry system and as the public sex offender registry web site system for jurisdictions. Jurisdictions, who are TTSORS users, will have the ability with their registry system to provide community notifications; email address and telephone number search; and collect all offender information required by SORNA.
- Develop and implement enhancements for NSOPW, the SORNA Exchange Portal and TTSORS necessary to remain current with advanced technologies.

- Provide training and technical assistance to states, territories and tribes related to participation in NSOPW, the Exchange Portal and TTSORS.
- Participate in SMART national trainings and conferences, providing individual and group session support.
- Monitor, maintain, and update the NSOPW Facebook page to include relevant content on sexual assault prevention and related safety tips.
- In consultation with the SMART Office, maintain and update the Education and Prevention section of NSOPW as needed.
- Work with the SMART Office (as needed) to modify the project scope during the project period to address emerging needs that impact the operation of NSOPW, the Exchange Portal and TTSORS.
- Consult with the SMART Office for guidance and input on website content, appearance, and functionality, and technical assistance tools such as brochures and publications, as well as written materials such as fact sheets and training materials and provide logistical support.
- Demonstrate cultural competencies in working with Indian Country.
- Understand the rich diversity of tribal people and the importance of self-determination and sovereignty when working with tribal jurisdictions. The successful applicant must demonstrate an understanding for providing support and guidance to tribes for the purpose of information sharing.
- Demonstrate an understanding of the importance of information sharing between SORNA jurisdictions about relocating sex offenders and the need for continued improvement in this area through the continued development or refinement of tools such as the SORNA Exchange Portal. The applicant must have experience in facilitating an advisory working group dedicated to criminal justice data information sharing.

Please note that successful applicants may not:

- Retain any data for any purpose beyond the end of the project period, except as instructed to facilitate transition to another provider;
- Provide any data collected as part of the operation of NSOPW, the Tribe and Territory Sex Offender Registry System (TTSORS), or the Exchange Portal to any other agency besides the submitting agency unless such communication is initiated by the submitting agency via SORNA exchange portal;
- Charge any agency for any use of NSOPW, TTSORS or the Exchange Portal
- Sell, or use any data collected as part of the operations of NSOPW, TTSORS, or the Exchange Portal for any commercial purpose or any unauthorized purpose

Evidence-Based Programs or Practices

OJP strongly emphasizes the use of data and evidence in policy making and program development in criminal justice, juvenile justice, and crime victim services. OJP is committed to:

- Improving the quantity and quality of evidence OJP generates
- Integrating evidence into program, practice, and policy decisions within OJP and the field
- Improving the translation of evidence into practice

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtained through one or more outcome evaluations. Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based. The [OJP CrimeSolutions.gov](http://OJP.CrimeSolutions.gov) website is one resource that applicants may use to find information about evidence-based programs in criminal justice, juvenile justice, and crime victim services.

B. Federal Award Information

The SMART Office anticipates that it will make one award of up to \$882,000 for a period of up to 24 months. It is anticipated that any award that may be made under this solicitation should be awarded no later than September 30, 2016.

All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.

The SMART Office may, in certain cases, provide supplemental funding in future years to the award under this solicitation. Important considerations in decisions regarding supplemental funding include, among other factors, the availability of funding, strategic priorities, assessment of the quality of the management of the award (for example, timeliness and quality of progress reports), and assessment of the progress of the work funded under the award.

All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.

Type of Award¹

The SMART Office expects that it will make any award from this solicitation in the form of a cooperative agreement, which is a particular type of grant used if the SMART Office expects to have ongoing substantial involvement in award activities. Substantial involvement includes direct oversight and involvement with the grantee organization in implementation of the grant, but does not involve day-to-day project management. See [Administrative, National Policy, and other Legal Requirements](#), under [Section F. Federal Award Administration Information](#), for details regarding the federal involvement anticipated under an award from this solicitation.

¹ See *generally* 31 U.S.C. §§ 6301-6305 (defines and describes various forms of federal assistance relationships, including grants and cooperative agreements (a type of grant)).

Financial Management and System of Internal Controls

Award recipients and subrecipients (including any recipient or subrecipient funded in response to this solicitation that is a pass-through entity²) must, as described in the Part 200 Uniform Requirements set out at 2 C.F.R. 200.303:

(a) Establish and maintain effective internal control over the federal award that provides reasonable assurance that the non-federal entity is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework”, issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

(b) Comply with federal statutes, regulations, and the terms and conditions of the federal awards.

(c) Evaluate and monitor the non-Federal entity's compliance with statute, regulations and the terms and conditions of federal awards.

(d) Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.

(e) Take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or pass-through entity designates as sensitive or the non-federal entity considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

In order to better understand administrative requirements and cost principles, applicants are encouraged to enroll, at no charge, in the Department of Justice Grants Financial Management Online Training available [here](#).

Budget Information

Cost Sharing or Match Requirement

This solicitation does not require a match. However, if a successful application proposes a voluntary match amount, and OJP approves the budget, the total match amount incorporated into the approved budget becomes mandatory and subject to audit.

Pre-Agreement Cost (also known as Pre-award Cost) Approvals

Pre-agreement costs are costs incurred by the applicant prior to the start date of the period of performance of the grant award.

² For purposes of this solicitation (or program announcement), “pass-through entity” includes any entity eligible to receive funding as a recipient or subrecipient under this solicitation (or program announcement) that, if funded, may make a subaward(s) to a subrecipient(s) to carry out part of the funded program.

OJP does not typically approve pre-agreement costs; an applicant must request and obtain the prior written approval of OJP for all such costs. If approved, pre-agreement costs could be paid from grant funds consistent with a grantee's approved budget, and under applicable cost standards. However, all such costs prior to award and prior to approval of the costs are incurred at the sole risk of an applicant. Generally, no applicant should incur project costs *before* submitting an application requesting federal funding for those costs. Should there be extenuating circumstances that appear to be appropriate for OJP's consideration as pre-agreement costs, the applicant should contact the point of contact listed on the title page of this announcement for details on the requirements for submitting a written request for approval. See the section on Costs Requiring Prior Approval in the [Financial Guide](#), for more information.

Limitation on Use of Award Funds for Employee Compensation; Waiver

With respect to any award of more than \$250,000 made under this solicitation, recipients may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the Federal Government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year.³ The 2016 salary table for SES employees is available at the Office of Personnel Management [website](#). Note: A recipient may compensate an employee at a greater rate, provided the amount in excess of this compensation limitation is paid with non-federal funds. (Any such additional compensation will not be considered matching funds where match requirements apply.) For employees who charge only a portion of their time to an award, the allowable amount to be charged is equal to the percentage of time worked times the maximum salary limitation.

The Assistant Attorney General for OJP may exercise discretion to waive, on an individual basis, the limitation on compensation rates allowable under an award. An applicant requesting a waiver should include a detailed justification in the budget narrative of the application. Unless the applicant submits a waiver request and justification with the application, the applicant should anticipate that OJP will request the applicant to adjust and resubmit the budget.

The justification should include the particular qualifications and expertise of the individual, the uniqueness of the service the individual will provide, the individual's specific knowledge of the program or project being undertaken with award funds, and a statement explaining that the individual's salary is commensurate with the regular and customary rate for an individual with his/her qualifications and expertise, and for the work to be done.

Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs

OJP strongly encourages applicants that propose to use award funds for any conference-, meeting-, or training-related activity to review carefully—before submitting an application—the OJP policy and guidance on conference approval, planning, and reporting available at [http://ojp.gov/financialguide/DOJ/PostawardRequirements/ chapter3.10a.htm](http://ojp.gov/financialguide/DOJ/PostawardRequirements/chapter3.10a.htm). OJP policy and guidance (1) encourage minimization of conference, meeting, and training costs; (2) require prior written approval (which may affect project timelines) of most such costs for cooperative agreement recipients and of some such costs for grant recipients; and (3) set cost limits, including a general prohibition of all food and beverage costs.

³ This limitation on use of award funds does not apply to the non-profit organizations specifically named at Appendix VIII to 2 C.F.R. part 200.

Costs Associated with Language Assistance (if applicable)

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. Reasonable steps to provide meaningful access to services or benefits may include interpretation or translation services where appropriate.

For additional information, see the "Civil Rights Compliance" section under "Solicitation Requirements" in [OJP's Funding Resource Center](#).

C. Eligibility Information

For additional eligibility information, see title page.

For additional information on cost sharing and match requirement, see [Section B. Federal Award Information](#).

Limit on Number of Application Submissions

If an applicant submits multiple versions of the same application, the SMART Office will review only the most recent system-validated version submitted. For more information on system-validated versions, see [How to Apply](#).

D. Application and Submission Information

What an Application Should Include

Applicants should anticipate that if they fail to submit an application that contains all of the specified elements, it may negatively affect the review of their application; and, should a decision be made to make an award, it may result in the inclusion of special conditions that preclude the recipient from accessing or using award funds pending satisfaction of the conditions.

Moreover, applicants should anticipate that applications that are determined to be nonresponsive to the scope of the solicitation, or that do not include the application elements that the SMART Office has designated to be critical, will neither proceed to peer review nor receive further consideration. Under this solicitation, the SMART Office has designated the following application elements as critical: Program Narrative, Budget Detail Worksheet, and Budget Narrative. Applicants may combine the Budget Narrative and the Budget Detail Worksheet in one document. However, if an applicant submits only one budget document, it must contain **both** narrative and detail information. Please review the "Note on File Names and File Types" under [How to Apply](#) to be sure applications are submitted in permitted formats.

OJP strongly recommends that applicants use appropriately descriptive file names (e.g., "Program Narrative," "Budget Detail Worksheet and Budget Narrative," "Timelines," "Memoranda of Understanding," "Resumes") for all attachments. Also, OJP recommends that applicants include resumes in a single file.

1. Information to Complete the Application for Federal Assistance (SF-424)

The SF-424 is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. Grants.gov and OJP's Grants Management System (GMS) take information from the applicant's profile to populate the fields on this form. When selecting "type of applicant," if the applicant is a for-profit entity, select "For-Profit Organization" or "Small Business" (as applicable).

Intergovernmental Review:

This funding opportunity (program) **is not** subject to [Executive Order 12372](#). (In completing the SF-424, applicants are to make the appropriate selection in response to question 19 to indicate that the "Program is not covered by E.O. 12372.")

2. Project Abstract

Applications should include a high-quality project abstract that summarizes the proposed project in 400 words or less. Project abstracts should be—

- Written for a general public audience
- Submitted as a separate attachment with "Project Abstract" as part of its file name
- Single-spaced, using a standard 12-point font (Times New Roman) with 1-inch margins

As a separate attachment, the project abstract will **not** count against the page limit for the program narrative.

All project abstracts should follow the detailed template available at ojp.gov/funding/Apply/Resources/ProjectAbstractTemplate.pdf.

Permission to Share Project Abstract with the Public:

It is unlikely that the SMART Office will be able to fund all promising applications submitted under this solicitation, but it may have the opportunity to share information with the public regarding promising but unfunded applications, for example, through a listing on a web page available to the public. The intent of this public posting would be to allow other possible funders to become aware of such proposals.

In the project abstract template, applicants are asked to indicate whether they give OJP permission to share their project abstract (including contact information) with the public. Granting (or failing to grant) this permission will not affect OJP's funding decisions, and, if the application is not funded, granting permission will not guarantee that abstract information will be shared, nor will it guarantee funding from any other source.

Note: OJP may choose not to list a project that otherwise would have been included in a listing of promising but unfunded applications, should the abstract fail to meet the format and content requirements noted above and outlined in the project abstract template.

3. Program Narrative

The program narrative must respond to the solicitation and present a detailed description of the purpose, scope, goals and objectives of the proposed project. The program narrative must be double-spaced, using a standard 12-point font (Times New Roman is preferred) with 1-inch margins, and must not exceed 25 pages. Please number pages "1 of 25," "2 of 25," etc. If the program narrative fails to comply with these length-related restrictions, the SMART Office may consider such noncompliance in peer review and in final award decisions. Submissions that do not adhere to the format will be deemed ineligible.

Information required under the “Budget and Budget Narrative” and “Other Attachments” sections will not count toward the program narrative page count.

The following sections should be included as part of the program narrative.

a. Statement of the Problem

Applicant must describe the models used by states, territories and tribes to operate their sex offender public websites/registries. In particular, applicants must discuss existing challenges and/or complexities unique to these websites/registries, including how they are managed; and how they interface with NSOPW. Discussion should highlight the issues associated with working with governmental entities in the areas of law enforcement and public information sharing, public policy and technical support and a thorough understanding of the information sharing requirements of SORNA.

b. Project Design and Implementation

Applicant must detail how the project will operate during the funding period and describe the strategy that will be used to implement the proposed project. This section should illustrate what activities are proposed for the project and describe how the strategy will support the goals and objectives. Applicants must outline how the proposed project will continue to manage, host and operate NSOPW, the SORNA Exchange Portal and TTSORS during all phases of the project period from initial grant receipt to closeout so that there is seamless continuation of operation and project activities. This section must also address efforts to be undertaken with participating jurisdictions (individual connections) to ensure continuity of operations and connection maintenance requirements and should include related national administrative and operational/enterprise-level efforts.

c. Capabilities and Competencies

Applicant must describe the management structure and staffing of the project and include information that describes the roles and responsibility of key organizational and functional components and personnel. This section must describe the experience and capability of the applicant and any contractors that will be used to implement the project and should highlight any previous experience implementing projects of similar design and magnitude. Discussion must demonstrate the applicant’s competence and experience in working with state, territory and tribal government agencies, particularly public sex offender registries and law enforcement information technology projects, as well as experience in supporting national and complex information sharing efforts. The management and organizational structure described should match the staff needs necessary to accomplish the tasks outlined in the project work plan. Position descriptions and resumes for key positions and personnel must be submitted as an attachment.

d. Plan for Collecting the Data Required for Performance Measures

Applicant should describe how performance will be documented, monitored, and evaluated, including how the impact of the strategy implemented and/or enhancement will be determined.

To demonstrate program progress and success, as well as, to assist the Department with fulfilling its responsibilities under the Government Performance and Results Act of 1993

(GPRA), Public Law 103-62, and the GPRA Modernization Act of 2010, Public Law 111–352, applicants that receive funding under this solicitation must provide data that measure the results of their work done under this solicitation. OJP will require any award recipient, post award, to provide the data requested in the “Data Grantee Provides” column so that OJP can calculate values for the “Performance Measures” column. Performance measures for this solicitation are as follows:

Objective	Performance Measure(s)	Data Grantee Provides
Provide a single point of access for the public and law enforcement to search public sex offender registries hosted by states (including the District of Columbia), territories and tribes	Number of inquiries against NSOPW and the SORNA Exchange Portal	Number of inquiries against NSOPW each month during the reporting period
	Number of states (including the District of Columbia), territories, and tribes participating in NSOPW	Number of states (including the District of Columbia), territories, and tribes participating in NSOPW during each month of the reporting period
	Number of websites maintained	Number of websites maintained and enhanced in compliance with SORNA legislation
	Average response time for questions sent to “Webmaster” or through the SMART Office inquiry line.	Number of responses provided to questions sent to “Webmaster” during each month of the reporting period Number of hours to respond to each question sent to Webmaster during each month of the reporting period
	Average response time to remedy any malfunctions to NSOPW within a 24-hour period	Number of requests to remedy any malfunctions to NSOPW Number of hours to respond to malfunctions to NSOPW
Provide training and technical assistance for jurisdictions to participate in NSPOW, SORNA Exchange Portal and TTSORS	Number of tools leveraged to enhance information sharing	Number and type of tools (i.e. email, discussion area, chat, web services) used to share information and data

	Number of site monitoring and auditing visits to SORNA registration jurisdiction	Number of site monitoring and auditing visits to SORNA registration jurisdiction as requested by the SMART Office
	Number of materials developed for audit and monitoring SORNA registration jurisdictions	Develop and provide audit and monitoring SORNA registration jurisdictions
	Number of technical assistance events/activities conducted	<p>Number of NSOPW technical assistance events/activities conducted during each month of the reporting period</p> <p>Number of TTSORs technical assistance events/activities provided during each month of the reporting period</p> <p>Number of SORNA Exchange Portal technical assistance events/activities provided during each month of the reporting period</p>
	Percentage of technical assistance requests completed with satisfactory resolution	<p>Number of technical assistance requests closed out with satisfactory resolution during the reporting period</p> <p>Number of technical assistance requests during the reporting period</p>
	Number of tribes utilizing TTSORS	<p>Number of new tribes utilizing TTSORS during each month of the reporting period</p> <p>Total number of tribes utilizing TTSORS during the reporting period</p>

The SMART Office does not require applicants to submit performance measures data with their application. Performance measures are included as an alert that the SMART Office will require successful applicants to submit specific data as part of their reporting requirements. For the application, applicants should indicate an understanding of these requirements and discuss how they will gather the required data, should they receive funding.

Note on Project Evaluations

Applicants that propose to use funds awarded through this solicitation to conduct project evaluations should be aware that certain project evaluations (such as systematic investigations designed to develop or contribute to generalizable knowledge) may constitute “research” for purposes of applicable DOJ human subjects protection regulations. However, project evaluations that are intended only to generate internal improvements to a program or service, or are conducted only to meet OJP’s performance measure data reporting requirements likely do not constitute “research.” Applicants should provide sufficient information for OJP to determine whether the particular project they propose would either intentionally or unintentionally collect and/or use information in such a way that it meets the DOJ regulatory definition of research.

Research, for the purposes of human subjects protections for OJP-funded programs, is defined as, “a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge” 28 C.F.R. § 46.102(d). For additional information on determining whether a proposed activity would constitute research, see the decision tree to assist applicants on the “Research and the Protection of Human Subjects” section of [OJP's Funding Resource Center](http://www.ojp.gov/funding/Explore/SolicitationRequirements/EvidenceResearchEvaluationRequirements.htm) web page (www.ojp.gov/funding/Explore/SolicitationRequirements/EvidenceResearchEvaluationRequirements.htm). Applicants whose proposals may involve a research or statistical component also should review the “Data Privacy and Confidentiality Requirements” section on that web page.

4. Budget Detail Worksheet and Budget Narrative

a. Budget Detail Worksheet

A sample Budget Detail Worksheet can be found at www.ojp.gov/funding/Apply/Resources/BudgetDetailWorksheet.pdf. Applicants that submit their budget in a different format should include the budget categories listed in the sample budget worksheet. The Budget Detail Worksheet should be broken down by year.

For questions pertaining to budget and examples of allowable and unallowable costs, see the Financial Guide at <http://ojp.gov/financialguide/doj/index.htm>.

b. Budget Narrative

The budget narrative should thoroughly and clearly describe every category of expense listed in the Budget Detail Worksheet. OJP expects proposed budgets to be complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities).

Applicants should demonstrate in their budget narratives how they will maximize cost effectiveness of grant expenditures. Budget narratives should generally describe cost effectiveness in relation to potential alternatives and the goals of the project. For example, a budget narrative should detail why planned in-person meetings are necessary, or how technology and collaboration with outside organizations could be used to reduce costs, without compromising quality.

The narrative should be mathematically sound and correspond with the information and figures provided in the Budget Detail Worksheet. The narrative should explain how the

applicant estimated and calculated all costs, and how they are relevant to the completion of the proposed project. The narrative may include tables for clarification purposes but need not be in a spreadsheet format. As with the Budget Detail Worksheet, the Budget Narrative should be broken down by year.

c. Non-Competitive Procurement Contracts In Excess of Simplified Acquisition Threshold

If an applicant proposes to make one or more non-competitive procurements of products or services, where the non-competitive procurement will exceed the simplified acquisition threshold (also known as the small purchase threshold), which is currently set at \$150,000, the application should address the considerations outlined in the [Financial Guide](#).

d. Pre-Agreement Cost Approvals

For information on pre-agreement costs, see [Section B. Federal Award Information](#).

5. Indirect Cost Rate Agreement (if applicable)

Indirect costs are allowed only under the following circumstances:

- (a) The applicant has a current, federally approved indirect cost rate; or
- (b) The applicant is eligible to use and elects to use the “de minimis” indirect cost rate described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.414(f).

Attach a copy of the federally approved indirect cost rate agreement to the application. Applicants that do not have an approved rate may request one through their cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or, if the applicant’s accounting system permits, costs may be allocated in the direct cost categories. For the definition of Cognizant Federal Agency, see the “Glossary of Terms” in the [Financial Guide](#). For assistance with identifying your cognizant agency, please contact the Customer Service Center at 1-800-458-0786 or at ask.ocfo@usdoj.gov. If DOJ is the cognizant federal agency, applicants may obtain information needed to submit an indirect cost rate proposal at <http://www.ojp.gov/funding/Apply/Resources/IndirectCosts.pdf>.

In order to use the “de minimis” indirect rate, attach written documentation to the application that advises OJP of both the applicant’s eligibility (to use the “de minimis” rate) and its election. If the applicant elects the “de minimis” method, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. In addition, if this method is chosen then it must be used consistently for all federal awards until such time as you choose to negotiate a federally approved indirect cost rate.⁴

6. Applicant Disclosure of High Risk Status

Applicants are to disclose whether they are currently designated high risk by another federal grant making agency. This includes any status requiring additional oversight by the federal agency due to past programmatic or financial concerns. If an applicant is designated high risk by another federal grant making agency, you must email the following information to OJPComplianceReporting@usdoj.gov at the time of application submission:

- The federal agency that currently designated the applicant as high risk

⁴ See 2 C.F.R. § 200.414(f).

- Date the applicant was designated high risk
- The high risk point of contact name, phone number, and email address, from that federal agency
- Reasons for the high risk status

OJP seeks this information to ensure appropriate federal oversight of any grant award. Disclosing this high risk information does not disqualify any organization from receiving an OJP award. However, additional grant oversight may be included, if necessary, in award documentation.

7. Additional Attachments

a. Applicant Disclosure of Pending Applications

Applicants are to disclose whether they have pending applications for federally funded grants or subgrants (including cooperative agreements) that include requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation. The disclosure should include both direct applications for federal funding (e.g., applications to federal agencies) and indirect applications for such funding (e.g., applications to State agencies that will subaward federal funds).

OJP seeks this information to help avoid any inappropriate duplication of funding. Leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate duplication.

Applicants that have pending applications as described above are to provide the following information about pending applications submitted within the last 12 months:

- The federal or state funding agency
- The solicitation name/project name
- The point of contact information at the applicable funding agency

Federal or State Funding Agency	Solicitation Name/Project Name	Name/Phone/Email for Point of Contact at Funding Agency
DOJ/COPS	COPS Hiring Program	Jane Doe, 202/000-0000; jane.doe@usdoj.gov
HHS/ Substance Abuse & Mental Health Services Administration	Drug Free Communities Mentoring Program/ North County Youth Mentoring Program	John Doe, 202/000-0000; john.doe@hhs.gov

Applicants should include the table as a separate attachment. The file should be named "Disclosure of Pending Applications."

Applicants that do not have pending applications as described above are to include a statement to this effect in the separate attachment page (e.g., “[Applicant Name on SF-424] does not have pending applications submitted within the last 12 months for federally funded grants or subgrants (including cooperative agreements) that include requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation.”).

b. Key Personnel

Position descriptions and resumes for key positions and personnel must be submitted as an attachment.

c. Project Timeline

8. Financial Management and System of Internal Controls Questionnaire

In accordance with the Part 200 Uniform Requirements as set out at [2 C.F.R. 200.205](#), federal agencies must have in place a framework for evaluating the risks posed by applicants before they receive a Federal award. To facilitate part of this risk evaluation, **all** applicants (other than an individual) are to download, complete, and submit this [form](#).

9. Disclosure of Lobbying Activities

All applicants must complete this information. Applicants that expend any funds for lobbying activities are to provide the detailed information requested on the form Disclosure of Lobbying Activities (SF-LLL). Applicants that do not expend any funds for lobbying activities are to enter “N/A” in the text boxes for item 10 (“a. Name and Address of Lobbying Registrant” and “b. Individuals Performing Services”).

How to Apply

Applicants must register in, and submit applications through Grants.gov, a primary source to find federal funding opportunities and apply for funding. Find complete instructions on how to register and submit an application at www.Grants.gov. Applicants that experience technical difficulties during this process should call the Grants.gov Customer Support Hotline at **800-518-4726** or **606-545-5035**, 24 hours a day, 7 days a week, except federal holidays. Registering with Grants.gov is a one-time process; however, **processing delays may occur, and it can take several weeks** for first-time registrants to receive confirmation and a user password. OJP encourages applicants to **register several weeks before** the application submission deadline. In addition, OJP urges applicants to submit applications 72 hours prior to the application due date to allow time to receive validation messages or rejection notifications from Grants.gov, and to correct in a timely fashion any problems that may have caused a rejection notification.

The SMART Office strongly encourages all prospective applicants to sign up for Grants.gov email [notifications](#) regarding this solicitation. If this solicitation is cancelled or modified, individuals who sign up with Grants.gov for updates will be automatically notified.

Note on Attachments. Grants.gov has two categories of files for attachments: mandatory and optional. OJP receives all files attached in both categories. Please insure all required documents are attached in the mandatory category.

Note on File Names and File Types:

Grants.gov only permits the use of certain specific characters in names of attachment files. Valid file names may include only the characters shown in the table below. Grants.gov is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters	Special Characters		
Upper case (A – Z)	Parenthesis ()	Curly braces { }	Square brackets []
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)
Underscore (_)	Comma (,)	Semicolon (;)	Apostrophe (')
Hyphen (-)	At sign (@)	Number sign (#)	Dollar sign (\$)
Space	Percent sign (%)	Plus sign (+)	Equal sign (=)
Period (.)	When using the ampersand (&) in XML, applicants must use the “&#amp;” format.		

Grants.gov is designed to forward successfully submitted applications to OJP’s Grants Management System (GMS).

GMS does not accept executable file types as application attachments;

These disallowed file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.” GMS may reject applications with files that use these extensions. It is important to allow time to change the type of file(s) if the application is rejected.

All applicants are required to complete the following steps:

OJP may not make a federal award to an applicant organization until the applicant organization has complied with all applicable DUNS and SAM requirements. Individual applicants must comply with all Grants.gov requirements. If an applicant has not fully complied with the requirements by the time the federal awarding agency is ready to make a federal award, the federal awarding agency may determine that the applicant is not qualified to receive a federal award and use that determination as a basis for making a federal award to another applicant.

Individual applicants should search Grants.gov for a funding opportunity for which individuals are eligible to apply. Use the Funding Opportunity Number (FON) to register. Complete the registration form at <https://apply07.grants.gov/apply/IndCPRegister> to create a username and password. Individual applicants should complete all steps except 1, 2 and 4.

1. Acquire a Data Universal Numbering System (DUNS) number.

In general, the Office of Management and Budget requires that all applicants (other than individuals) for federal funds include a DUNS number in their applications for a new award or a supplement to an existing award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and differentiating entities receiving federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a

free, one-time activity. Call Dun and Bradstreet at 866–705–5711 to obtain a DUNS number or apply online at www.dnb.com. A DUNS number is usually received within 1-2 business days.

- 2. Acquire registration with the System for Award Management (SAM).** SAM is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. OJP requires all applicants (other than individuals) for federal financial assistance to maintain current registrations in the SAM database. Applicants must be registered in SAM to successfully register in Grants.gov. Applicants must **update or renew their SAM registration annually** to maintain an active status. SAM registration and renewal can take as long as 10 business days to complete.

Applications cannot be successfully submitted in Grants.gov until Grants.gov receives the SAM registration information. **The information transfer from SAM to Grants.gov can take up to 48 hours.** OJP recommends that the applicant register or renew registration with SAM as early as possible.

Information about SAM registration procedures can be accessed at www.sam.gov.

- 3. Acquire an Authorized Organization Representative (AOR) and a Grants.gov username and password.** Complete the AOR profile on Grants.gov and create a username and password. The applicant organization's DUNS number must be used to complete this step. For more information about the registration process for organizations, go to www.grants.gov/web/grants/register.html. Individuals registering with Grants.gov should go to <http://www.grants.gov/web/grants/applicants/individual-registration.html>.
- 4. Acquire confirmation for the AOR from the E-Business Point of Contact (E-Biz POC).** The E-Biz POC at the applicant organization must log into Grants.gov to confirm the applicant organization's AOR. The E-Biz POC will need the Marketing Partner Identification Number (MPIN) password obtained when registering with SAM to complete this step. Note that an organization can have more than one AOR.
- 5. Search for the funding opportunity on Grants.gov.** Use the following identifying information when searching for the funding opportunity on Grants.gov. The Catalog of Federal Domestic Assistance (CFDA) number for this solicitation is 16.750, titled "SMART FY 16 Maintenance and Operation of Dru Sjodin National Sex Offender Public Website," and the funding opportunity number is SMART-2016-8952.
- 6. Submit a valid application consistent with this solicitation by following the directions in Grants.gov.** Within 24–48 hours after submitting the electronic application, the applicant should receive two notifications from Grants.gov. The first will confirm the receipt of the application and the second will state whether the application has been successfully validated, or rejected due to errors, with an explanation. It is possible to first receive a message indicating that the application is received and then receive a rejection notice a few minutes or hours later. Submitting well ahead of the deadline provides time to correct the problem(s) that caused the rejection. **Important:** OJP urges applicants to submit applications **at least 72 hours prior** to the application due date to allow time to receive validation messages or rejection notifications from Grants.gov, and to correct in a timely fashion any problems that may have caused a rejection notification. All applications are due to be submitted and in receipt of a successful validation message in Grants.gov by 11:59

p.m. eastern time on April 7, 2016.

Click [here](#) for further details on DUNS, SAM, and Grants.gov registration steps and timeframes.

Note: Duplicate Applications

If an applicant submits multiple versions of the same application, SMART Office will review only the most recent system-validated version submitted. See Note on File Names and File Types under [How to Apply](#).

Experiencing Unforeseen Grants.gov Technical Issues

Applicants that experience unforeseen Grants.gov technical issues beyond their control that prevent them from submitting their application by the deadline must contact the Grants.gov [Customer Support Hotline](#) or the [SAM Help Desk](#) (Federal Service Desk) to report the technical issue and receive a tracking number. Then the applicant must email the SMART Office contact identified in the Contact Information section on page 2 **within 24 hours after the application deadline** and request approval to submit their application. The email must describe the technical difficulties, and include a timeline of the applicant's submission efforts, the complete grant application, the applicant's DUNS number, and any Grants.gov Help Desk or SAM tracking number(s). **Note: The SMART Office does not automatically approve requests.** After the program office reviews the submission, and contacts the Grants.gov or SAM Help Desks to validate the reported technical issues, OJP will inform the applicant whether the request to submit a late application has been approved or denied. If OJP determines that the applicant failed to follow all required procedures, which resulted in an untimely application submission, OJP will deny the applicant's request to submit their application.

The following conditions are generally insufficient to justify late submissions:

- Failure to register in SAM or Grants.gov in sufficient time (SAM registration and renewal can take as long as 10 business days to complete. The information transfer from SAM to Grants.gov can take up to 48 hours.)
- Failure to follow Grants.gov instructions on how to register and apply as posted on its website
- Failure to follow each instruction in the OJP solicitation
- Technical issues with the applicant's computer or information technology environment, including firewalls

Notifications regarding known technical problems with Grants.gov, if any, are posted at the top of the OJP funding web page at <http://ojp.gov/funding/index.htm>.

E. Application Review Information

Selection Criteria

1. Statement of the Problem (20%)
2. Project Design and Implementation (40%)

3. Capabilities and Competencies (20%)
4. Plan for Collecting the Data Required for this Solicitation's Performance Measures (5%)
5. Budget: complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities). Budget narratives should generally demonstrate how applicants will maximize cost effectiveness of grant expenditures. Budget narratives should demonstrate cost effectiveness in relation to potential alternatives and the goals of the project.⁵ (10%)
6. Additional Attachments: Key Personnel (Position Descriptions and Resumes); and Project Timeline (5%)

Review Process

OJP is committed to ensuring a fair and open process for awarding grants. The SMART Office reviews the application to make sure that the information presented is reasonable, understandable, measurable, and achievable, as well as consistent with the solicitation.

Peer reviewers will review the applications submitted under this solicitation that meet basic minimum requirements. For purposes of assessing whether applicants have met basic minimum requirements, OJP screens applications for compliance with specified program requirements to help determine which applications should proceed to further consideration for award. Although program requirements may vary, the following are common requirements applicable to all solicitations for funding under OJP grant programs:

- Applications must be submitted by an eligible type of applicant
- Applications must request funding within programmatic funding constraints (if applicable)
- Applications must be responsive to the scope of the solicitation
- Applications must include all items designated as "critical elements"
- Applicants will be checked against the System for Award Management (SAM)

For a list of critical elements, see "What an Application Should Include" under [Section D. Application and Submission Information](#).

The SMART Office may use internal peer reviewers, external peer reviewers, or a combination, to assess applications meeting basic minimum requirements on technical merit using the solicitation's selection criteria. An external peer reviewer is an expert in the subject matter of a given solicitation who is not a current DOJ employee. An internal reviewer is a current DOJ employee who is well-versed or has expertise in the subject matter of this solicitation. A peer review panel will evaluate, score, and rate applications that meet basic minimum requirements. Peer reviewers' ratings and any resulting recommendations are advisory only, although their views are considered carefully. In addition to peer review ratings, considerations for award recommendations and decisions may include, but are not limited to, underserved populations, geographic diversity, strategic priorities, past performance under prior SMART Office and OJP awards, and available funding.

⁵ Generally speaking, a reasonable cost is a cost that, in its nature or amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the costs.

OJP reviews applications for potential discretionary awards to evaluate the risks posed by applicants before they receive an award. This review may include but is not limited to the following:

1. Financial stability and fiscal integrity
2. Quality of management systems and ability to meet the management standards prescribed in the Financial Guide
3. History of performance
4. Reports and findings from audits
5. The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients
6. Proposed costs to determine if the Budget Detail Worksheet and Budget Narrative accurately explain project costs, and whether those costs are reasonable, necessary, and allowable under applicable federal cost principles and agency regulations

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider factors including, but not limited to, peer review ratings, underserved populations, geographic diversity, strategic priorities, past performance under prior SMART Office and OJP awards, and available funding when making awards.

F. Federal Award Administration Information

Federal Award Notices

OJP sends award notification by email through GMS to the individuals listed in the application as the point of contact and the authorizing official (E-Biz POC and AOR). The email notification includes detailed instructions on how to access and view the award documents, and how to accept the award in GMS. GMS automatically issues the notifications at 9:00 p.m. eastern time on the award date (by September 30, 2016). Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate a financial point of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document by the authorized representative and the scanning of the fully-executed award document to OJP.

Administrative, National Policy, and other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the agency-approved project proposal and budget, the recipient must comply with award terms and conditions, and other legal requirements, including but not limited to OMB, DOJ or other federal regulations which will be included in the award, incorporated into the award by reference, or are otherwise applicable to the award. OJP strongly encourages prospective applicants to review the information pertaining to these requirements **prior** to submitting an application. To assist applicants and recipients in accessing and reviewing this information, OJP has placed pertinent information on its [Solicitation Requirements](#) page of [OJP's Funding Resource Center](#).

Please note in particular the following two forms, which applicants must accept in GMS prior to the receipt of any award funds, as each details legal requirements with which applicants must provide specific assurances and certifications of compliance. Applicants may view these forms in the Apply section of the [OJP's Funding Resource Center](#) and are strongly encouraged to review and consider them carefully prior to making an application for OJP grant funds.

- [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements](#)
- [Standard Assurances](#)

Upon grant approval, OJP electronically transmits (via GMS) the award document to the prospective award recipient. In addition to other award information, the award document contains award terms and conditions that specify national policy requirements⁶ with which recipients of federal funding must comply; uniform administrative requirements, cost principles, and audit requirements; and program-specific terms and conditions required based on applicable program (statutory) authority or requirements set forth in OJP solicitations and program announcements, and other requirements which may be attached to appropriated funding. For example, certain efforts may call for special requirements, terms, or conditions relating to intellectual property, data/information-sharing or -access, or information security; or audit requirements, expenditures and milestones, or publications and/or press releases. OJP also may place additional terms and conditions on an award based on its risk assessment of the applicant, or for other reasons it determines necessary to fulfill the goals and objectives of the program.

Prospective applicants may access and review the text of mandatory conditions OJP includes in all OJP awards, as well as the text of certain other conditions, such as administrative conditions, via [Mandatory Award Terms and Conditions](#) page of [OJP's Funding Resource Center](#).

As stated above, the SMART Office anticipates that it will make an award from this solicitation in the form of a cooperative agreement. Cooperative agreement awards include standard “federal involvement” conditions that describe the general allocation of responsibility for execution of the funded program. Generally stated, under cooperative agreement awards, responsibility for the day-to-day conduct of the funded project rests with the recipient in implementing the funded and approved proposal and budget, and the award terms and conditions. Responsibility for oversight and redirection of the project, if necessary, rests with the SMART Office.

In addition to any “federal involvement” condition(s), OJP cooperative agreement awards include a special condition specifying certain reporting requirements required in connection with conferences, meetings, retreats, seminars, symposium, training activities, or similar events funded under the award, consistent with OJP policy and guidance on conference approval, planning, and reporting.

General Information about Post-Federal Award Reporting Requirements

Recipients must submit quarterly financial reports, semi-annual progress reports, final financial and progress reports, and, if applicable, an annual audit report in accordance with the Part 200 Uniform Requirements. Future awards and fund drawdowns may be withheld if reports are delinquent.

Special Reporting requirements may be required by OJP depending on the statutory, legislative or administrative obligations of the recipient or the program.

G. Federal Awarding Agency Contact(s)

⁶ See generally 2 C.F.R. 200.300 (provides a general description of national policy requirements typically applicable to recipients of Federal awards, including the Federal Funding Accountability and Transparency Act of 2006 (FFATA)).

For Federal Awarding Agency Contact(s), see title page.

For contact information for Grants.gov, see title page.

H. Other Information

Provide Feedback to OJP

To assist OJP in improving its application and award processes, we encourage applicants to provide feedback on this solicitation, the application submission process, and/or the application review/peer review process. Provide feedback to OJPSolicitationFeedback@usdoj.gov.

IMPORTANT: This email is for feedback and suggestions only. Replies are **not** sent from this mailbox. If you have specific questions on any program or technical aspect of the solicitation, **you must** directly contact the appropriate number or email listed on the front of this solicitation document. These contacts are provided to help ensure that you can directly reach an individual who can address your specific questions in a timely manner.

If you are interested in being a reviewer for other OJP grant applications, please email your résumé to ojpeerreview@lmsolas.com. The OJP Solicitation Feedback email account will not forward your résumé. **Note:** Neither you nor anyone else from your organization can be a peer reviewer in a competition in which you or your organization have submitted an application.

Application Checklist

SMART FY 16 Maintenance and Operation of the Dru Sjodin National Sex Offender Public Website

This application checklist has been created to assist in developing an application.

What an Applicant Should Do:

Prior to Registering in Grants.gov:

- _____ Acquire a DUNS Number (see page 19)
- _____ Acquire or renew registration with SAM (see page 20)

To Register with Grants.gov:

- _____ Acquire AOR and Grants.gov username/password (see page 20)
- _____ Acquire AOR confirmation from the E-Biz POC (see page 20)

To Find Funding Opportunity:

- _____ Search for the Funding Opportunity on Grants.gov (see page 20)
- _____ Download Funding Opportunity and Application Package (see page 20)
- _____ Sign up for Grants.gov email [notifications](#) (optional) (see page 18)
- _____ Read [Important Notice: Applying for Grants in Grants.gov](#) (see page 19)
- _____ Read OJP policy and guidance on conference approval, planning, and reporting available at [ojp.gov/financialguide/DOJ/PostawardRequirements/chapter3.10a.htm](#) (see page 9)

After Application Submission, Receive Grants.gov Email Notifications That:

- _____ (1) application has been received,
- _____ (2) application has either been successfully validated or rejected with errors (see page 21)

If No Grants.gov Receipt, and Validation or Error Notifications are Received:

- _____ contact the SMART Office regarding experiencing technical difficulties (see page 21)

General Requirements:

- _____ Review the [Solicitation Requirements](#) in OJP's Funding Resource Center.

Scope Requirement:

- _____ The federal amount requested is within the allowable limit(s) of \$882,000.

Eligibility Requirement: Eligible applicants are limited to nonprofit and/or for-profit organizations that have demonstrated significant experience in providing web site development, hosting and management; web services; service-oriented architecture, distributed information sharing systems; and specialized training and technical assistance to the states, tribes and territories participating in SORNA information sharing. For-profit organizations must agree to waive any profits or fees for services.

What an Application Should Include:

- _____ Application for Federal Assistance (SF-424) (see page 11)
- _____ Project Abstract (see page 11)
- _____ Program Narrative (see page 11)

_____ Budget Detail Worksheet	(see page 15)
_____ Budget Narrative	(see page 15)
_____ Indirect Cost Rate Agreement (if applicable)	(see page 16)
_____ Applicant Disclosure of High Risk Status	(see page 16)
Additional Attachments	
_____ Applicant Disclosure of Pending Applications	(see page 17)
_____ Key Personnel	(see page 18)
_____ Project Timeline	(see page 18)
_____ Financial Management and System of Internal Controls Questionnaire	(see page 18)
_____ Disclosure of Lobbying Activities (SF-LLL)	(see page 18)
_____ Employee Compensation Waiver request and justification (if applicable)	(see page 9)
